

Schedule

The following is the schedule for the 6 working groups:

Legend for the working groups:

Poly: Multi-method Approaches for Investigating Polycentricity in CPRs (Contact person: Elizabeth Baldwin).

NIIS: Nepal Irrigation Institutions and Systems (NIIS) Database (Contact person: Elicia Ratajczyk).

PES: Assessing the Social Implications of Payment for Ecosystem Services (PES) in the Commons (Contact person: Tanya Hayes).

Wiki: Coding the Commons Wiki (Contact person: Mady Tyson).

CIS: Models to explore the potential of large-scale human societies to provide shared infrastructure (Contact person: Marty Anderies)/

LEC: Mixed Methodologies, Novel Data, and Syntheses in the Study of Local Environmental Governance (Contact person: Tatyana Ruseva).

Date \ Room	ECA 120	ECA 101	ECA 333
March 8 Morning	NIIS	Poly	
March 8 Afternoon	NIIS	Poly	Wiki
March 9 Morning	PES	CIS	
March 9 Afternoon	PES (closed)	LEC	CIS (closed)

Note that room ECA 120 accommodates videoconferencing if this is requested in advance.

Since this is a self-organized workshop it is up to the working group leaders to organize the details of their own sessions. We suggest the morning sessions start at 9am, and the afternoon sessions start at 1pm.

We will provide refreshments at 10.30-10.45am and 2.30-2.45pm, and a light lunch between 12.30-1pm
